David,

Per your request. I nominate Taimur Shaikh to serve as the SAFETEA POC. Although he actively works IOGCC and energy national advisory activities, but he would do a good job.

All – We are going need to set up a designated position to help the Region with SAFETEA consultations over the upcoming months. To do this, I need you help. We need to identify a highly qualified GS-14 to work on coordinating this regionwide effort and oversee the implementation. So – we need to nominees for this post. It's going to tough, impossible and require our best. This will be a direct reassignment since we don't have much time. Please give this careful consideration and send me your nominee as quickly as possible. The Agency will announce consultation tomorrow and we are expecting many Tribes to request individual consultations on the 26 programs covered by this action.

Thanks in advance.

David
